Salam and good morning, sir/madam

Sir/madam, is there any question from our customer from CIRR due to our government cannot check it out the DOI.

There is the data that we cannot check the DOI out

1. <https://doi.org/10.2478/CIRR-2022-0021>
2. <https://cirrj.org/article-detail/?id=660>

Thank you in advanced due to your information and appreciate it very much.

regards

Dear Gomgom tp Siregar

There No DOI not working
Due to some reasons.

1. Any open access paper needs the DOI as their license
2. Any paper that indexed in Scopus database, need DOI as the paper license.

Please find attached an acceptance letter as per your request convenience.

regards
CIRR Managing Team
